

Directions to 950 Tender Drive, Apex, NC and the Villages of Apex trackside north neighborhood bounded by US Highway 64 (North) and Hunter Street (South); RR & N. Salem Street (west) and RR & Laura Duncan Road (east)

To avoid a grade-level railroad track when entering our neighborhood, you must use a westbound segment of circular Apex Peakway or eastbound US HWY 64. Those are the ones given here. Other efficient ways to reach our neighborhood depends on your location: one is “eastbound” Apex Peakway from the traffic signal at N. Salem Street. Another is via a NO-LEFT-TURN intersection from Hunter Street at Ambergate Station.

Using the Apex Peakway is the easiest and safest route!

PRIMARY/UNIVERSAL OPTION (best)

P-1. TRAVEL EAST OR WEST ON US Hwy 64 to reach Apex and our neighborhood

P-2. TURN SOUTH at traffic signal onto Laura Duncan Road

(all businesses at the intersection are on the north side of US64; after the turn you will pass by Apex High School.)

Alternate P-2. To avoid high school traffic, TURN SOUTH at traffic signal onto Lake Pine Drive (Lake Pine Drive continues as Old Raleigh Road then as Hunter Street)

P-3. TURN RIGHT at the next traffic signal onto Apex Peakway

P-4. TURN RIGHT at Ambergate Station (at community bldg & pool)

P-5. TURN RIGHT onto Tender Drive: 950 is on the left near the end of the street. U-turn in ample space at end of the cul-de-sac to park in front of the house.

EAST-BOUND US64 OPTION (only for the quick and tested; these are quick turns.)

Side road warning:

E-1. TRAVEL EAST ON US64**

E-2. TURN RIGHT onto Windy Road from eastbound US64; Windy Rd is almost immediately after the well marked "Apex Downtown" EXIT.

Windy Road is only marked with a side road warning sign and a routine street sign. More evident are Extra Attic Self-Storage's orange buildings and then Bradley's Flooring and Paint store just before Windy Rd and the 3-story apartment buildings just beyond Windy Road.

E-3. TURN LEFT onto Caboose Trail (just beyond the first single unattached home.)

E-4. TURN LEFT onto Tender Drive: 950 is on the left. U-turn in ample space at end of the cul-de-sac to park in front of the house.

**** If you miss the Windy Road EXIT, then turn right at the traffic signal onto Laura Duncan Road and resume at P-3 above.**
